2019 AUCTION SPONSORSHIP OPPORTUNITIES

The Claremont Auction is our school's most important and effective fundraising event. It is also a terrific opportunity to raise awareness for your local business, event or service offering, while supporting an important cause. Families and other members of the Claremont community are also encouraged to show their support through sponsorship! Through our event advertising, website, online auction and live auction party, our Auction sponsors will reach a targeted demographic of valuable potential customers. The Claremont Middle School community greatly appreciates your support.
