

Your Claremont Community Directory Listing

The Claremont PTA publishes an annual directory of parent/guardian telephone numbers and email addresses for distribution to all Claremont families. The purpose of the directory is to help our families connect with and support each other as our children progress through middle school.

Please provide contact information for your student's adult parents or guardians below. You are not required to fill in every blank – just fill in any names, phone numbers and email addresses you are comfortable sharing with the community. **PLEASE PRINT CLEARLY!**

Student Name: _____ Grade: 6th 7th 8th

If you have more than one child at Claremont, please write additional names & grades here:

If your contact information is the same as in last year's directory, you do not need to fill out the information below, just check this box:

HOW TO OPT OUT: Listing in the school directory is voluntary, but we believe the ability to contact other adults in our school community - to ask about homework assignments, to organize ride sharing, or to get to know the families of your child's friends - is beneficial to everyone.

- Check this box if you do NOT wish to be included in the school directory.
