## UPDATE

Concept Design phase completed in 2016  
Schematic Design phase to begin Spring 2017  
Surveying and Geotechnical investigation and reporting will be completed in Spring 2017

## MILESTONES

<b>Board Approval</b>	Measure J (\$3.6 Million) —October 2015
<b>Board Approval</b>	Measure B (\$2.5 Million) —Anticipated April 2017 with Proposed Spending Plan
<b>Multi-Purpose Building</b>	Targets: bidding in Summer 2017; finish construction Fall 2018
<b>Site work/Field/Bldg C</b>	Targets: bidding in Spring 2018; finish construction Summer 2018

## Quick Facts

\$7M Project Budget  
(\$6.5M Construction Budget)  
funded by Measure J & B Bond

This project originated after a fire burned out the existing Claremont Middle School Cafeteria in February 2015. The cafeteria reconstruction, to be paid for by insurance reimbursement, was an opportunity for the school to envision further improvements to their campus. Various site layout options were explored over the past year to determine a comprehensive site plan that could address some of the existing site deficiencies as well as the intended future mission or direction of the Claremont Middle School. The upcoming Turf Field Improvement project and Bond project funding, can thus be combined with the cafeteria insurance money, and support a physical transformation of the campus.
