

Merritt College

Cyber Boot-Camp 2020

(Week 1-Intro) June 22,2020(Week 2-Advance) June 29-July 3,2020

FREE | TECH SKILLS | TEAMWORK | PROBLEM SOLVING

Have Fun! Make Friends! Explore the world of Cybersecurity!

Merritt College is hosting a two-week long summer CyberCamp for 6th-12th grade students, which features Ten days of *No-Cost* introductory cybersecurity training.

Instruction is led by Merritt Community College Faculty. Training modules developed by the *Cyber Boot-Camp 2.0* cover a variety of topics including: CTF's, hacking prevention, system hardening, access control, and system protection. The ten-day program ends with team CTF's competitions and awards.
