What is Title I?

Title I is a federal grant program that provides additional academic support and learning opportunities for students at schools with high percentages of socioeconomically disadvantaged children.
Goals of Title I

● Increase academic achievement
● Provide direct instructional support to students
● Provide professional development for teachers
● Promote parent education and involvement
Academic Program Goals

- To grow all students reading and math levels by one grade level and those who are reading below grade level by 1.5 years or more.
- Building conditions for student learning
- Standards Based Instruction
- Language and Literacy Across the Curriculum
- Building Conditions for Adult Learning

(Note: Parents should receive information about the school’s curriculum, expected levels of proficiency for each student as well as any assessments used to measure student progress. Describe the English Language Arts and Mathematics instructional programs offered and provide data from any districtwide or school-based assessments.)
